

# What are you doing this summer?

## How about traveling the world!

Why not join AIA Sports Performance on an adventure like no other in your field of study. We are sending four mission teams around the world co-hosting conferences on sports medicine and strength & conditioning. We will be partnering with Olympic Committees, Sports Medicine Physician Organizations, National Sports Federations, and leading universities in the countries we travel to. These are incredible opportunities for these people to SEE the reality of Jesus in our lives!

2010 Locations: Guatemala, Armenia, Mexico & Moldova Dates: May and June, 2010

Typical length of trip: 7—10 days depending on distance traveled.

What's included in the cost of the tour:

- Airfare
- Local Transportation
- Team Clothing
- Insurance
- Lodging
- Meals
- Bible study Materials
- One day of Sightseeing (Souvenirs not included)

The cost reflects each team member's share of the team's expenses. This can be raised in the form of tax-deductible donations to the ministry from others who share your concern for the Good News of Christ.

A journey with an Athletes in Action Sports Performance Team will transform your life and could provide you the following opportunities:

- To serve, minister, and travel to another country
- To teach and learn in your area of expertise in sports performance
- To grow as a disciple of Jesus Christ through daily Bible studies and Christian community

If you are flexible, teachable, and willing to serve God in a unique way, we have a place for you!
